## Starters

### 3.1 Weird sizes

#### 3.1.1 Extra tall recipe

tall, and skinny,  
and therefore we must override  
the default sizes by adding an entry  
to the sample/sizes.txt file.

Really.  
Yep.

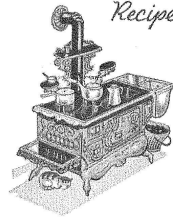

And even taller than you'd think.

It keeps going.

Wow.

And... the end.

Here's what's cookin'... Extra wide recipe  
Recipe from

Again, we must override the sizes using the sizes.txt file.
